DESCRIPTION

Exquisite 1940s Custom-Built Clinker Timber Boat with Electric Propulsion. Step back in time, constructed in the 1940s when timber boatbuilders were true masters of their craft. Lovingly restored to its former glory, this vessel combines flawless woodwork and joinery with the convenience of modern

electric propulsion, making it a true gem for enthusiasts and collectors alike. Features & Highlights:

Timeless Craftsmanship: Built in the 1940s, this boat showcases the unparalleled skill of traditional timber boatbuilders, featuring flawless woodwork, joinery, and stunning brass fittings and fasteners.

Eco-Friendly Electric Drive: Upgraded with a cutting-edge electric propulsion system for smooth, quiet, and environmentally friendly cruising.

Classic Elegance: From its polished timber finishes to its elegant rope accents, every detail of this boat reflects timeless sophistication and craftsmanship.

Versatile Usage: – A perfect complement to a waterfront property, creating a stunning visual statement at your private dock. – Ideal as a tender to a larger vessel, combining style with practicality. – A breathtaking display piece, showcasing the artistry of 1940s boatbuilding.

Turnkey Condition: Fully restored and ready to use, this vessel requires no additional work—simply launch and enjoy. Whether you're looking for a functional and elegant boat for harbor cruises, a statement piece for your waterfront property, or a collector's dream, this clinker timber boat offers it all. A true testament to the skill of traditional boatbuilders, it's a rare opportunity to own a piece of maritime history.
