DESCRIPTION

This brand-new custom-built 7.5m fibreglass sport fishing boat (hull length 6.8m plus 0.7m transom extension) is designed for offshore performance and comfort. The axe-shaped bow delivers superior wave-piercing ability, reducing pitching and ensuring smoother rides in rough seas. Alongside its offshore capability, the boat also impresses with its sleek European-inspired exterior styling, making it as striking in the marina as it is capable on the water. Unusually spacious for its size, it features a large toilet and ample storage under

the central console, a rare find in this class. A carbon fibre control panel completes the helm with a contemporary and sporty finish. The boat is backed by solid warranties: 7 years on the hull, 3 years on the engine, and 1 year on electronics. Trailer is available as an option. Book a sea trial today, this is a unique opportunity to secure a one-of-a-kind sport fisher.
