DESCRIPTION

Aria Grace is a 2000 Carver 57 Pilothouse Cruiser that delivers the long-range capability and easy liveability Carver's Voyager line is known for. A planing GRP hull, generous 4.6 m beam and thoughtful deck layout give the boat confident offshore manners while remaining simple to handle with family or a short crew. Power comes from twin 535 hp Cummins turbo-diesels coupled to Twin Disc electronic controls and Capitaine hydraulic steering, backed by a bow thruster for precision around the dock. A Kohler 15.5 kVA generator keeps the household systems running independent of shore power, and 3,000 litres of diesel provide serious passage range without sacrificing pace. Moulded non-skid side decks lead forward from the sheltered cockpit, while the flybridge doubles as an open-air lounge with revolving helm seat, wrap-around seating, fridge, sink and barbecue. A Marquipt electric davit services the Brig centre-console tender and its 25 hp Yamaha, making beach runs and harbour exploring straightforward. Inside, warm cherry joinery frames a raised pilothouse with Raymarine hybrid-touch navigation, FLIR night vision, Simrad sounder and Fusion audio. The galley sits one step aft, fitted with twin drawer fridges, a three-burner electric cooktop with oven, Sharp convection microwave and deep double sink. Three air-conditioned cabins sleep six in comfort: a full-beam master with washer-dryer and en-suite bath, a forward island double and a twin cabin sharing a second Vaccuflush head with stall shower. Fresh water comes from twin 400 L tanks and a Schenker 60 L /hr water-maker, with hot water supplied by a Rheem system. If you're seeking a pilothouse cruiser equally at home on a quick dash to Pittwater or a run north to the Whitsundays, this Carver merits a personal inspection. Contact Flagship to arrange your private inspection.
