DESCRIPTION

Designed for serious anglers and adventure seekers, the vessel is built to handle any conditions with ease. Constructed from durable aluminium with a self-draining deck, it offers the perfect blend of strength, stability, and practicality. EVA teak covers all surfaces, providing a premium, non-slip finish underfoot, while an enclosed cabin ensures comfort for overnight stays. Powered by twin Yamaha 200hp

outboards, it delivers a top speed of 27 knots and an efficient 20-knot cruising speed, making it an excellent choice for offshore and inshore fishing alike. This vessel is fully set up for fishing, featuring twin live bait tanks with internal pumps and overflow drains, ensuring your catch stays fresh. Multiple rod holders are strategically placed throughout, including welded rod holders on the hardtop, transom, and gunwale. A large external cockpit bench area with a sink makes prepping and cleaning fish effortless, while fold-down bench seating maximises deck space when needed. The cockpit also features a lockable port-side boarding door, allowing easy access for line-tying and boarding. For those who value versatility, the vessel has been designed with convenience in mind. Lowerable aft boarding steps, coupled with trimmable outboards, make boarding a breeze whether you're coming in from a swim or stepping ashore. The enclosed hardtop offers protection from the elements, while sliding windows and doors ensure ventilation and easy movement throughout the vessel. Inside, the vessel is as new and fully equipped. The cabin features an L-shaped sofa with an adjustable table, a fully enclosed toilet and shower, and a forward sleeping area with berths for up to three people. A well-equipped galley includes an 80L fridge, gas stove, and sink, making it easy to extend your time on the water. Equipped with a 12 inch Garmin multi-function display, radar, and fishfinder, this vessel is primed for adventure. Contact Flagship International to arrange a viewing.
