DESCRIPTION

Discover PHATSARA, a 37-metre custom Incat Crowther power catamaran with just 640 engine hours. Powered by twin Caterpillar C32s and carrying 16,000 litres of diesel, she offers a cruising range of 2,000 nautical miles at 9-10 knots. Built in 2012 and refitted through to 2025, PHATSARA is a turnkey, blank canvas perfect for luxury liveaboard, dive or surf charters, day trips, sightseeing, or even regional

commercial operations that don't require IACS classification. Recent upgrades include premium sea-cock fittings, new shaft seals, balanced propellers, new engine mounts, and a full antifoul with new anodes, comparable to a major 10-year yard service. Multiple decks provide privacy and a wide range of entertaining and operational spaces. PHATSARA, upon its completion, held the distinction of being the largest private power catamaran ever built. This vessel represented the pinnacle of multihull design which was drafted by Incat Crowther with advanced composite technologies from High Modulus and guidance from Sikline International, the builder. Its catamaran configuration delivers exceptional stability, fuel efficiency, and a shallow draft, enabling access to remote and picturesque locations. With a top speed of 20 knots* and a 2,000-nautical-mile range at cruising speeds of 9 – 10 knots, PHATSARA combines high performance with long-range capabilities. The yacht's expansive interior caters to both private and commercial use, with berths for 36 guests and crew. The luxurious layout includes a main-deck master stateroom with an office and en-suite bath, alongside two VIP staterooms. The lower deck houses eighteen single berths. PHATSARA's versatile exterior decks offer ample space for relaxation and entertainment, featuring a rooftop lounge and a Portuguese deck. Equipped with two davits and a hydraulic platform, the yacht effortlessly handles a 17-foot tender, jet skis, and other water toys, maximizing on-water enjoyment. Length: 121' 4" (37 m) Beam: 27' 5" (8.36 m) Draft: 5' 2.5" (2.16 m) Fuel Capacity: 4,227 gal (16,000 L) Water Capacity: 1,585 gal (6,000 L) Accommodation: 3 main deck cabins | Total Berths: 36 Speed: Cruise 12 kn | Max 19+ kn
