New Honda 350HP V8 Petrol
Outboard

FUEL CAPACITY

347L

WATER CAPACITY

80L

BEAM

2.55m

DRAFT

0.40m

LOCATION

Rose Bay NSW

DESCRIPTION

Designed and built in Marsala, Italy, the Levanzo 25 brings together smart naval architecture and a strong sense of style. The hull was developed with Alessandro Chessa of Akas Design Studio, delivering a deep-V form and 22-degree aft deadrise that holds its balance through chop and keeps the deck dry. At 7.9 metres with a 2.54 metre beam, the layout makes full use of the footprint, giving seating for up to ten

guests and two dedicated social zones. A pair of large aft sunbeds wrap around the walkway, and the cushion insert converts it to a full-beam lounge. Storage sits directly beneath for gear and equipment. Midships, the integrated bar module includes a sink and refrigeration, with the T-Top providing shade over this area and the helm. Forward, a c-shaped bow lounge and picnic table set up a relaxed dining or sunbed space. Power is delivered by the Honda 350 V8, giving the boat strong acceleration and straightforward handling in harbour and coastal conditions. This Levanzo 25 is available now in Sydney and presents as a turnkey day boat for summer. For full details or to arrange an inspection, contact Flagship International Yacht Brokers.
