DESCRIPTION

2015 Regal 35 Sports Coupe A proven crowd-pleaser from Regal, this 35 Sports Coupe blends open-air fun with the comfort of an enclosed, air-conditioned salon. Hit the switch and the full-beam electric hardtop slides back; extend the Slide-Away cockpit seating and you've got extra entertaining space without sacrificing the generous swim platform. At the helm, a Upgraded Garmin 8412XSV MFD pairs with Volvo digital engine displays, while twin V8-300s deliver an easy 32-knot turn of speed on sea trial. Below, the layout is made for weekending--forward double, private aft cabin, a bright saloon in cream leather and a practical galley with fridge and microwave. If you've been searching for a stylish, user-friendly coupe in the 35-37-foot bracket, this Regal nails the brief. Highlights o Electric, full-beam hardtop for instant open-to-enclosed versatility. o Single-level cockpit with Slide-Away aft lounge to expand the party zone. o Walk-through windscreen to the foredeck sunpads. o Twin Volvo V8-300s on DPS-B duoprops; sea-trialed to ~32 kts. o Air-conditioning throughout; Fusion audio; three TVs (saloon/aft/cockpit). o Upgraded Garmin 8412XSV MFD with depth and charts; spotlight; shore power and charger. All-weather entertainer with big-boat features in a 35-foot package Swim Platform & Aft Sunpad Step aboard via the wide teak swim platform and you'll instantly see why Regal's coupes have such a loyal following. This platform isn't just a boarding step -- it's an extension of your living space on the water. Launch the tender or dive in for a swim, rinse off with the transom shower, then stretch out on the full-beam aft sunpad. Slide the backrest forward or aft to configure the lounge for sunbathing, conversation or cocktails by the water. It's the perfect transition zone between sea and cockpit, and a favourite spot for kids and adults alike Cockpit Living Open the stainless sliding door and the cockpit unfolds as a single-level social hub. Regal's clever Slide-Away Seating lets you extend the cockpit aft by nearly a foot at the push of a button, adding valuable space when you're rafted up with friends. A removable cockpit table anchors the setting for alfresco meals, while the Vitrifrigo fridge keeps refreshments cold. Overhead, the electric hardtop retracts in seconds to flood the area with sunshine, or closes tight with clears to keep you dry on cooler days....

Swim Platform & Aft Sunpad

Step aboard via the wide teak swim platform and you'll instantly see why Regal's coupes have such a loyal following. This platform isn't just a boarding step -- it's an extension of your living space on the water. Launch the tender or dive in for a swim, rinse off with the transom shower, then stretch out on the full-beam aft sunpad. Slide the backrest forward or aft to configure the lounge for sunbathing, conversation or cocktails by the water. It's the perfect transition zone between sea and cockpit, and a favourite spot for kids and adults alike

Cockpit Living

Open the stainless sliding door and the cockpit unfolds as a single-level social hub. Regal's clever Slide-Away Seating lets you extend the cockpit aft by nearly a foot at the push of a button, adding valuable space when you're rafted up with friends. A removable cockpit table anchors the setting for alfresco meals, while the Vitrifrigo fridge keeps refreshments cold. Overhead, the electric hardtop retracts in seconds to flood the area with sunshine, or closes tight with clears to keep you dry on cooler days. Soft cream upholstery, teak underfoot, and a Fusion sound system set the tone for day-long entertaining

Helm & Handling

Forward to starboard, the helm delivers the confidence of a much larger boat. Twin Volvo V8-300s on DPS-B duoprops provide the punch -- smooth to handle at displacement speeds and still quick to plane, with a sea-trialled top speed of ~32 knots. Volvo digital screens and gauges give real-time engine data, while an upgraded Garmin 8412XSV MFD takes care of navigation and depth. A wraparound windshield with centre walk-through ensures visibility is excellent at speed and makes foredeck access safe and easy. Dockside, joystick maneuverability keeps handling approachable for an owner-operator

Cabin Comfort

Below decks, the 35 SC feels more like a 40-footer. Natural light pours through hull windows into a bright saloon finished in cream leather and warm timber flooring. The forward double berth is spacious and private, while a second cabin aft offers a generous retreat for kids or guests. The galley is well-equipped with an Isotherm fridge, microwave and two-hob cooktop ideal for weekend provisioning. Across the way, a compact head offers an electric toilet, shower and sink. Entertainment is fully catered for: three TVs (saloon, aft cabin and cockpit) plus the Fusion stereo, all air-conditioned for comfort on warm summer nights

Why This Regal 35 SC?

- o Full-beam electric hardtop for instant open-to-enclosed versatility
- o Single-level cockpit with Slide-Away seating and teak swim platform
- o Twin Volvo V8-300s - low hours and impeccable service history - with ~32-knot top end
- o Air-conditioning throughout, Fusion stereo, and three TVs
- o Two-cabin layout: forward double + private aft cabin
- o Upgraded Garmin 8412XSV MFD, spotlight, shore power & charger
- o Kohler generator fitted
- o New inverter system and separate batteries fitted
- o Impeccable service history
