The 7th last M400 ever to come out of the Riviera factory, this sweet girl is a real standout – with low hours on the mains (D6 Diesels) and genset, along with a substantial soft refit in 2023, it would be difficult to find a better example on the market at present – if at all. Light use since the 2023 refit that

included all new upholstery inside and out, new covers, new sea deck flooring, new bootline, salt water service, underwater lights, new Fusion Stereo and speakers, all new and updated navigation lights, new batteries, new anchor winch and gearbox, new searchlight and controller to helm, new wiper motors, new SeaDek, 6mm Dual layer in Mocha/Black, all new Riviera bedding and more. Ready for a summer of fun and hassle-free boating. Please call to discuss or arrange an inspection.
