DESCRIPTION

ILYRIA, The San Lorenzo 72 - A Semi-Custom Masterpiece She is a luxurious semi-custom yacht combining timeless Italian elegance and modern engineering. Designed for discerning yacht owners, Ilyria showcases the best of boutique craftsmanship from a yard renowned for its dedication to personalisation. With a keen focus on comfort, style, and functionality. Refined Layout & Elegant Spaces

Ilyria spans 22 meters in length and features a sleek exterior with low-profile lines and robust bulwarks, ensuring stability and safety at sea. Inside, the layout is crafted for luxury and practicality. The main deck boasts an open-plan saloon connected seamlessly to a modern galley, designed to enhance the social aspect of onboard living. High-quality finishes include satin-finished American walnut joinery, marble and travertine surfaces, and leather furnishings, creating an understated yet sophisticated ambience.

Accommodation on Ilyria includes three spacious double cabins, each with a private en suite. The full-beam master stateroom, equipped with a walk-in wardrobe and elegant en suite, serves as a private retreat for the owner. The VIP cabin features large windows that provide ample natural light, while a third double cabin offers comfortable guest accommodation. A fourth cabin/kiddies room is located opposite for additional guest berthing. For additional privacy and convenience, the yacht includes separate crew quarters located at the stern, complete with its own head and amenities. On the upper deck, a generously sized flybridge invites alfresco dining and relaxation, equipped with a dining table, an amenities pod, and seating for up to eight guests. The aft section provides space for a tender or serves as an observation point while cruising.

Key Features and Mechanical Components

- o Engines: Twin MTU 10V 2000 M92 diesel engines, generating 1,360 HP each
- o Drive System: V-drives for optimized stateroom space and stability
- o Generators: Dual Kohler units (22kW and 19kW) for reliable power
- o Hydraulic Systems: Bow and stern thrusters, a Besenconi crane with 600kg lift capacity, and a hydraulic passerelle for smooth boarding
- o Fuel Capacity: 6,000 litres for long-range cruising
- o Amenities: Fully equipped galley with Miele appliances, two wine fridges, multiple lounging areas, and versatile media room with a convertible lounge
- o Electronics: Raymarine E120 with...
