DESCRIPTION

A genuinely very rare opportunity to acquire a very lightly used high specification Schaefer 380. Designed from the ground up, it's packed with features that will elevate your boating experience to a whole new level. The Schaefer 380 can comfortably fit up to 14 people during the day and 4 overnight. Whether you're planning a day out with friends or a family getaway, this boat has got you covered. This very popular deck layout with a wet bar/gourmet station to port (including BBQ/Fridge/sink and storage)

that allows an expansive sunpad/bench seating aft, along with an L-shaped seat to starboard with a folding leaf sold teak table. The drop-down balconies significantly expand your space for relaxing and entertaining, making days out with friends and family feel like the deck is that of a 50 ft plus vessel. Step forward, and you'll find ample seating along with easy access to the bow through the windshield walkthrough. The cabin is designed with comfort and practicality in mind. You'll have aft and forward berths, a full head with a separate shower, and a fully equipped galley. These amenities make overnight trips as comfy as can be, with plenty of space for everyone to relax and enjoy. Performance-wise, this Schaefer 380 offers the highest tech and power with Twin Mercury V12 engines and an auto flush system that is a pleasure and easy to use, ensuring that simple maintenance isn't a chore. Designed by Marcio Schaefer, this boat exemplifies top-notch craftsmanship. The luxurious upholstery, intelligent use of space, and high-quality materials all contribute to an exceptional boating experience. The Schaefer 380 also boasts a fresh water capacity of 282 litres and impressive fuel capacities (1035 litres) allowing for extended trips without frequent refuelling stops. The new owners actually drove it under its own steam from the Gold Coast to Airlie Beach – a testament to its offshore capabilities. In summary, the Schaefer 380 is all about luxury, performance, and practicality. Whether you're cruising with friends, having a family adventure, or just enjoying a weekend getaway, this boat is perfect for creating unforgettable experiences on the water. Currently located in Airlie Beach and quite literally turnkey with under 80 hours on Twin Mercury 600HP V12's. Options include * Seakeeper 3 Gyro * Joystick for Mercury Outboards, along with a Bow Thruster, making...
